

Finance Internal Audit & Expense Management Policy

Purpose: Establish internal controls for financial activities.

All purchase orders above Rs.50,000 require Finance Manager approval.

Payments above Rs.2,00,000 require dual approval from the Finance Manager and CFO.

Employees must submit original receipts within 15 days.

Quarterly internal audits shall be conducted.

Financial records must be retained for seven years.

Cash transactions above Rs.10,000 require approval.

Vendor payments shall only be made to verified bank accounts.

Suspected fraud must be reported within 24 hours.

Budget variances exceeding 5% require written justification.

Only authorized personnel may access accounting systems.
